The G O of 1-5-08 is quite plain and the enhanced rate of local allowance of Rs 300 is personal to Mr Bowring and Other Officers holding the appointment of the Rly Magistrate Can get only the Normal local allce of Rs 150

16 During the period of his deputation on Special duty Mr Bowring was Specially permitted to draw the whole of his local allce of Rs 300 and no portion of it is therefore available for payment to Mr Chokkanna. At the same time it will not be fair to deny to the latter Officer the usual local allce of Rs 150 for the period he was doing Mr Bowring's work. The arrangement made entailed an additional expenditure of Rs 150 p.m.

to him. For that appointment the allowance is fixed at Rs 150/- and this was advised to Mr. Chokkanna. Mr. Chokkanna wants the allowance at Rs 300/- which is inadmissible. He may be informed of this.

18 As Mr. Bowring is at present the Magistrate K.G.F., his pay & allowances are shown in the Civil list. It has not been usual to embody in the Civil list information as to what appointments [other than the present holders] particular appointments would draw.

19 A scale of suggested appointments showing the Sr appointments & their emoluments is under preparation in this office. In fact a proof of it has been obtained from the press and it will most probably be ready for being appended to the Civil list from the next issue. Such information will then be available to the public as desired by the Dewan.
